

Spicy PB Cucumber Slices

1 Cucumber (I use English)
½ tsp Liquid Aminos
1 TBSP Peanut Butter
½ tsp Rice Vinegar
½ tsp Toasted Sesame Oil
2 tsp Trader Joe's Chili Onion Crunch
¼ tsp Sesame Seeds

Instructions:

1. Slice the cucumbers. I use the waffle fry blade on the mandoline, alternating the angle to create the waffle fry effect
2. Mix everything into a bowl except the cucumbers and whisk until the peanut butter is mixed in and you have a sauce.
3. Pour over the cucumber slices. Shake to mix. Serve.
